

**Providing assistance  
to qualify your resident  
for Medicaid from  
Start to Finish.**

If your resident is in financial need, Medicaid will provide help at a time they may need it most... when they are overwhelmed with the changes in their lives.

*As you evaluate your residents, please refer them to me so I can help them qualify and receive payments from Medicaid.*

My major reward will be in seeing your resident and their family reap substantial saving to their nest egg.

**Medicaid Liaison for  
Residents of Nursing Homes  
and Assisted Living Centers**

*Helping Qualify Your Residents for Medicaid so Payments come to You, their Nursing Home or Assisted Living Care Provider as quickly as possible.*

## Advising your resident and their family about Medicaid financial assistance.

Your resident has a financial obligation to you, their Care Provider. I recognize Medicaid will help meet this obligation.

That's why I provide assistance from start to finish in qualifying them for Medicaid financial help.

***I do all the legwork and provide the resident and their family with advice on qualifying and receiving money from Medicaid so YOU receive YOUR payments as quickly as possible.***

## Allowing you to continue giving your resident the care they deserve.

### What I do:

- I Understand** results are important to each resident.
- I Determine** if they should seek Medicaid Assistance based on their family's situation.
- I Gather** and organize all information needed for qualification.
- I Advise** them on financial rearrangements and help accomplish those rearrangements using a lawyer, as needed.
- I Submit** the Medicaid application.
- I Interface** with Medicaid personnel until your resident is qualified for Medicaid.
- I Work** with Medicaid personnel minimizing the time it takes to get approved so that you, the Nursing Home/Assisted Living Care Provider are reimbursed as soon as possible.

**Providing advice and doing all the legwork to qualify your resident for Medicaid.**
